KYOKUSHIN KARATE DESHI PROGRAM

UCHIDESHI

Uchi-deshi (内弟子, "inside student") is a Japanese term for a live-in student/apprentice who trains under and assists a sensei on a full-time basis.

The Uchideshi program is radical and challenging to join. It is challenging but enjoyable. You may reveal your strength, strengthen self-discipline, and toughen your Kyokushin spirit with the Uchideshi program.

The program ranges from three months to one year intensive training. The most important requirement of the students who may want to enroll as an uchideshi is commitment then everything follows. One must have a heart to learn and must know how to listen and respect superiors.
